EDITOR'S NOTE

Once again the FRIEZE is back and it proves to be better than ever

Coming in relatively inexperienced was not as large a drawback as one might think. With the help of past editor's we learned quickly and took the initiative to forge ahead on our own

Our return to the Maryland theme is self evident and is the one theme that is common among all us GREEKS. As a result, the mixture of the Maryland flag and all of us in action was our idea for the cover and the folio tabs. It's our way of combining the best of both worlds. We hope to have added a little more color and a new perspective to the way GREEKS are viewed here at Maryland

The nature of the content of this book is a collaboration of ideas, opinions, and interests of the entire Greek System and we therefore disassociate ourselves from any embarassing or offensive material which is probably a majority of the book

We hope you enjoy it!

UNIVERSITY S·P·I·R·I·T

Dear 1990 Graduates,

I would like to take this opportunity on behalf of my staff to sincerely Thank You for the support you have given Balfour House/ University Spirit over the past 4 years. You have seen us grow larger, always attempting to carry the items you want, when you want them! We always appreciate and need your input on how we can serve the Greek community better. Our store has always attempted to support the Greeks of Maryland every way we can.

As you graduate and reflect on your Greek experiences here in College Park, we hope that they were everything you expected, and more! We also hope that we played a "small part" in making your Greek life a little more meaningful.

Good luck in the years ahead, and stop by to say, "Hello", when you visit College Park.

Fraternally Yours,
Mike & the Staff at Balfour
